10, 2013 Dear 23-Month-Old Caleb Dear 23-Month Old Caleb, I'm a couple days late posting

I think what stands out about you most is your athletic ability.

How could I possibly abandon my baby and leave him with strangers? I wanted to start you in preschool much sooner but the thought of it made me crazy so I kept putting it off.

I talk about all things related to motherhood, babies, families and frugal living.

Food has continued to be enemy number one for you.

And you like putting things away, in their place.

Almost all of the time, you can tell us what you are trying to say and we actually understand! You rarely sign anymore because you know how to say all of the words you used to sign.

You speak in complex sentences and sing songs.

You are so ACTIVE.
