That has definitely been your favorite show.

this one because we had to celebrate your second birthday and it's been a busy

It's odd saying that about a two-year old but it's true.

But I knew you were ready, and I eventually bit the bullet.

I love to review baby gear products.

You still have a fear of most foods that aren't cookies or crackers.

You get really hyper at night and flip around in our bed like a gymnast or wrestle with Daddy.

One day, over ten new words popped out of your mouth! You are even good about saying, "please" and "thank you" or "thanks."

You carry on conversations with adults, including phone calls (usually with Grandma and Grandpa).

Even when you're watching TV, you often bounce up and down in the living room like you have springs in your feet.
