If I say, "Up," you will say, "Down" and so on.

Big tears, ugly crying in the middle of a public place.

And yet, spending my days with you - seeing the world through your eyes - it keeps me young.

You know your ABCs, and the sound each letter makes.

You also say, "bless you" anytime someone sneezes.

You throw your hands up in the air triumphantly when they score a touchdown and you clap when something exciting happens.

You hit, kicked, pushed, and threw things over and over.

I'll tell it like it is.

You adjusted very quickly and made Daddy and I so proud! Mrs.

Somehow, you learned how to correctly hold and throw a football - even with a perfect spiral! You are so strong and you can throw the ball so hard that I don't even know how it's possible! This month, you started catching balls when we throw them to you.
