Everything is exciting and new, even things I see every day but never gave much thought. You are becoming your own person; your personality is emerging more and more. It was so hard to leave you! But I knew it was best for you (and me, too). Despite that, there is a sweet and nurturing side of you - and I always see it, even when you're acting out. We spend a lot more time drawing and writing these days. Your pre-reading skills are great, too! You even have some of your books memorized and you like to read them to us, especially Goodnight Moon. You're my everything. One time, we heard you say, "Bless you" over the baby monitor while you were in your crib - you were still awake and heard me sneeze in the other room. It seems like your favorite thing in the world is to roughhouse with Daddy. Home Sunday, May 4, 2014 Dear 2-Year-Old Caleb Dear 2-year-old Caleb, Has it really been a YEAR since I've written you one of these letters? Time really has flown by this past year, even more so than for your first and second birthdays.
