It astounds me how much you have learned about dinosaurs - you can say even the most difficult dinosaur names, like Quetzalcoatlus (technically that is a pterosaur and not a dinosaur). Somehow, you learned how to correctly hold and throw a football - even with a perfect spiral! You are so strong and you can throw the ball so hard that I don't even know how it's possible! This month, you started catching balls when we throw them to you.  
week! I can hardly believe you're two.  
You adjusted very quickly and made Daddy and I so proud! Mrs.  
I'll tell it like it is.  
We saw a nutritionist who was only mildly helpful.  
You also say, "bless you" anytime someone sneezes.  
You aren't big on snuggling unless you're sick.  
You know your ABCs, and the sound each letter makes.  
It seems like your favorite thing in the world is to roughhouse with Daddy.
