We saw a nutritionist who was only mildly helpful.

week! I can hardly believe you're two.

You aren't big on snuggling unless you're sick.

It astounds me how much you have learned about dinosaurs - you can say even the most difficult dinosaur names, like Quetzalcoatlus (technically that is a pterosaur and not a dinosaur).

It seems like your favorite thing in the world is to roughhouse with Daddy.

Somehow, you learned how to correctly hold and throw a football - even with a perfect spiral! You are so strong and you can throw the ball so hard that I don't even know how it's possible! This month, you started catching balls when we throw them to you.

You're my everything.

You adjusted very quickly and made Daddy and I so proud! Mrs.

I'll tell it like it is.

Despite that, there is a sweet and nurturing side of you - and I always see it, even when you're acting out.
