And yet, spending my days with you - seeing the world through your eyes - it keeps me young.

Big tears, ugly crying in the middle of a public place.

You throw your hands up in the air triumphantly when they score a touchdown and you clap when something exciting happens.

If I say, "Up," you will say, "Down" and so on.

You hit, kicked, pushed, and threw things over and over.

You know your ABCs, and the sound each letter makes.

You also say, "bless you" anytime someone sneezes.

Even when I'm pulling my hair out, I still feel that way every day.

Even when you're watching TV, you often bounce up and down in the living room like you have springs in your feet.

I'll tell it like it is.
