You are becoming your own person; your personality is emerging more and more. Despite that, there is a sweet and nurturing side of you - and I always see it, even when you're acting out. Everything is exciting and new, even things I see every day but never gave much thought. It was so hard to leave you! But I knew it was best for you (and me, too). We spend a lot more time drawing and writing these days. You're my everything. It seems like your favorite thing in the world is to roughhouse with Daddy. Your pre-reading skills are great, too! You even have some of your books memorized and you like to read them to us, especially *Goodnight Moon*. One time, we heard you say, "Bless you" over the baby monitor while you were in your crib - you were still awake and heard me sneeze in the other room. You aren't big on snuggling unless you're sick.
