.it's a great place for you and I'm so happy to see you thriving there! I can't believe that tomorrow I will have a three-year-old boy.

This morning, we were snuggling in Mommy's and Daddy's bed after you woke up and you were telling me the animals you saw on the ceiling (T-rex, bunny rabbit, ant); the morning sun coming in between the window blinds created a shadow from the ceiling fan.

I hope you never lose that.

Your obsession with football and the Green Bay Packers continues to grow.

You're good at puzzles and problem solving.

It's still a challenge for you sometimes, but many times you play nicely with other kids your age without hitting or kicking.

You are rebellious even by toddler standards, always pushing the boundaries and fine-tuning your negotiation skills.

After Daddy and I dropped you off, we went out to breakfast.

You have started to memorize parts of books, so you often help me read.
