You carry on conversations with adults, including phone calls (usually with Grandma and Grandpa). You know some parts of *The Poky Little Puppy*, like "I see something!" and the part in *That's Not My Mom!* where where Gerry says, "Aha!" There is also a *Thomas the Train Book of Opposites* that you know very well. One day, over ten new words popped out of your mouth! You are even good about saying, "please" and "thank you" or "thanks."

And I broke down crying in the middle of Townhouse Restaurant.

You have more energy in an hour than I can muster up in a week, and I'm always dragging behind trying to keep up with you.

I love to review baby gear products.

But I knew you were ready, and I eventually bit the bullet.

You sleep with footballs every night and usually ask to watch Packers highlights ("Pappoh?") as soon as you wake up.

It's odd saying that about a two-year old but it's true.

You've gotten better about this lately, but this year we spent a lot - I mean A LOT - of time learning how to use nice hands and feet.
