We get *Dude, Where's My Stethoscope?: and other stories from the ER* DjVu, PDF, ePub, txt, physician appearance. We desire be cheerful whether you move ahead backbone afresh.

I'm so blessed to have you in my life.

You are so ACTIVE.

You've gotten better about this lately, but this year we spent a lot - I mean A LOT - of time learning how to use nice hands and feet.

You sleep with footballs every night and usually ask to watch Packers highlights ("Pappoh?") as soon as you wake up.

And you like putting things away, in their place.

Food has continued to be enemy number one for you.

You have more energy in an hour than I can muster up in a week, and I'm always dragging behind trying to keep up with you.

And I broke down crying in the middle of Townhouse Restaurant.

You know some parts of *The Poky Little Puppy*, like "I see something!" and the part in *That's Not My Mom!* where where Gerry says, "Aha!" There is also a *Thomas the Train Book of Opposites* that you know very well.
