Despite that, there is a sweet and nurturing side of you - and I always see it, even when you're acting out. You are becoming your own person; your personality is emerging more and more.

You're my everything.

It seems like your favorite thing in the world is to roughhouse with Daddy.

Everything is exciting and new, even things I see every day but never gave much thought.

It was so hard to leave you! But I knew it was best for you (and me, too).

You aren't big on snuggling unless you're sick.

We spend a lot more time drawing and writing these days.

We saw a nutritionist who was only mildly helpful.

Your pre-reading skills are great, too! You even have some of your books memorized and you like to read them to us, especially Goodnight Moon.
