.it's a great place for you and I'm so happy to see you thriving there! I can't believe that tomorrow I will have a three-year-old boy.

You're good at puzzles and problem solving.

It's still a challenge for you sometimes, but many times you play nicely with other kids your age without hitting or kicking.

I hope you never lose that.

Your obsession with football and the Green Bay Packers continues to grow.

TwitterShare to FacebookShare to Pinterest Labels: 2 years old, dear caleb, dinosaurs, preschool Friday, May

You are rebellious even by toddler standards, always pushing the boundaries and fine-tuning your negotiation skills.

You phased out of the Dora the Explorer phase and got VERY interested in volcanoes and then dinosaurs.

After Daddy and I dropped you off, we went out to breakfast.
