There is also a Thomas the Train Book of Opposites that you know very well. You have more energy in an hour than I can muster up in a week, and I'm always dragging behind trying to keep up with you.

You carry on conversations with adults, including phone calls (usually with Grandma and Grandpa).

You sleep with footballs every night and usually ask to watch Packers highlights ("Pappoh?") as soon as you wake up.

One day, over ten new words popped out of your mouth! You are even good about saying, "please" and "thank you" or "thanks."

You've gotten better about this lately, but this year we spent a lot - I mean A LOT - of time learning how to use nice hands and feet.

I love to review baby gear products.

But I knew you were ready, and I eventually bit the bullet.

I'm so blessed to have you in my life.
