One time, we heard you say, "Bless you" over the baby monitor while you were in your crib - you were still awake and heard me sneeze in the other room.

Your pre-reading skills are great, too! You even have some of your books memorized and you like to read them to us, especially *Goodnight Moon*.

Home Sunday, May 4, 2014 Dear 2-Year-Old Caleb Dear 2-year-old Caleb, Has it really been a YEAR since I've written you one of these letters? Time really has flown by this past year, even more so than for your first and second birthdays.

We spend a lot more time drawing and writing these days.

Laura is your teacher at A Kid's Gym in Oviedo, and she is wonderful.

It was so hard to leave you! But I knew it was best for you (and me, too).

You often say, "Catch!" and ask to practice.

Everything is exciting and new, even things I see every day but never gave much thought.

As you can see, I have learned quite a bit about dinosaurs with you, too! You have also started to get into Daniel Tiger and you really like the movie *Frozen* (along with every other child in America, maybe the world).

You are becoming your own person; your personality is emerging more and more.
