And yet, spending my days with you - seeing the world through your eyes - it keeps me young.

I'll tell it like it is.

You adjusted very quickly and made Daddy and I so proud! Mrs.

You throw your hands up in the air triumphantly when they score a touchdown and you clap when something exciting happens.

Somehow, you learned how to correctly hold and throw a football - even with a perfect spiral! You are so strong and you can throw the ball so hard that I don't even know how it's possible! This month, you started catching balls when we throw them to you.

You hit, kicked, pushed, and threw things over and over.
