Thankfully, I know you're growing because you keep outgrowing shoes and clothes - but I'm sure this is only because of the supplements and formula you take. It's my hope as a parent that I can encourage that side of you while discouraging the hitting and kicking. You have a very logical mind. But we'll save that for the next, "Dear Caleb" blog post. As you can see, I have learned quite a bit about dinosaurs with you, too! You have also started to get into Daniel Tiger and you really like the movie Frozen (along with every other child in America, maybe the world). Currently, every car ride is exciting because you cheer me on when I drive through a green light. And you did even better than I had hoped.
