It has been amazing to watch your language explode over the past year.

We clap and cheer when you catch and when you miss, we say, "Almost!" Now you repeat us and say, "Almost" if you miss the ball.

This one is all about the month leading up to your birthday.

Even knowing you were in a great place, that first drop-off.

Now I'm here on the eve of your third birthday and I'm in disbelief that I will have a three-year-old little boy when I wake up in the morning.

You won't need Pediasure when you're in college, right? You will eat normal foods one day, right? Right?! One of the biggest milestones this year was that you started part-time preschool.

:) You are talking in three- and four-word sentences now.

You're a daredevil, always jumping off of things and giggling like mad.

Even the books you don't have memorized, you like to "read" to me by looking at the pictures and making up a story.

I think poor Daddy needs a break sometimes! Your interests shifted this year into very typical boy things.
