This morning, we were snuggling in Mommy's and Daddy's bed after you woke up and you were telling me the animals you saw on the ceiling (T-rex, bunny rabbit, ant); the morning sun coming in between the window blinds created a shadow from the ceiling fan.

You're good at puzzles and problem solving.

.it's a great place for you and I'm so happy to see you thriving there! I can't believe that tomorrow I will have a three-year-old boy.

It's still a challenge for you sometimes, but many times you play nicely with other kids your age without hitting or kicking.

I hope you never lose that.

Your obsession with football and the Green Bay Packers continues to grow.

You phased out of the Dora the Explorer phase and got VERY interested in volcanoes and then dinosaurs.

You are rebellious even by toddler standards, always pushing the boundaries and fine-tuning your negotiation skills.

I have a feeling you'll like roller coasters.
