Your obsession with football and the Green Bay Packers continues to grow.

I hope you never lose that.

You are rebellious even by toddler standards, always pushing the boundaries and fine-tuning your negotiation skills.

After Daddy and I dropped you off, we went out to breakfast.

You have started to memorize parts of books, so you often help me read.

.it's a great place for you and I'm so happy to see you thriving there! I can't believe that tomorrow I will have a three-year-old boy.

This morning, we were snuggling in Mommy's and Daddy's bed after you woke up and you were telling me the animals you saw on the ceiling (T-rex, bunny rabbit, ant); the morning sun coming in between the window blinds created a shadow from the ceiling fan.

You speak in complex sentences and sing songs.

Almost all of the time, you can tell us what you are trying to say and we actually understand! You rarely sign anymore because you know how to say all of the words you used to sign.

You're good at puzzles and problem solving.
