you always, Mommy Posted by Rachel Marshall at 10:28 PM 0 comments Email This Blog This! Share to I'm very proud at the progress you've made.

I think poor Daddy needs a break sometimes! Your interests shifted this year into very typical boy things. You like sorting things, especially by color.

You're a daredevil, always jumping off of things and giggling like mad.

"YAY! We made the green light!" Your imagination has been sparked over the past year.

You won't need PediaSure when you're in college, right? You will eat normal foods one day, right? Right?! One of the biggest milestones this year was that you started part-time preschool.

Now you love it! You get gymnastics and outside playtime and so many different kinds of crafts.

This one is all about the month leading up to your birthday.

You tell the best stories! Your facial expressions and hand gestures are fabulous.
