We get '**Language' and Intelligence in Monkeys and Apes: Comparative Developmental Perspectives** DjVu, PDF, ePub, txt, physician appearance. We desire be cheerful whether you move ahead backbone afresh.

I love to review baby gear products.

But I knew you were ready, and I eventually bit the bullet.

It's odd saying that about a two-year old but it's true.

One day, over ten new words popped out of your mouth! You are even good about saying, "please" and "thank you" or "thanks."

You carry on conversations with adults, including phone calls (usually with Grandma and Grandpa).

That has definitely been your favorite show.

this one because we had to celebrate your second birthday and it's been a busy

You know some parts of The Poky Little Puppy, like "I see something!" and the part in That's Not My Mom!

where where Gerry says, "Aha!" There is also a Thomas the Train Book of Opposites that you know very well.

And I broke down crying in the middle of Townhouse Restaurant.

You have more energy in an hour than I can muster up in a week, and I'm always dragging behind trying to keep up with you.
