TwitterShare to FacebookShare to Pinterest Labels: 2 years old, dear caleb, dinosaurs, preschool Friday, May You phased out of the Dora the Explorer phase and got VERY interested in volcanoes and then dinosaurs. It's still a challenge for you sometimes, but many times you play nicely with other kids your age without hitting or kicking.

You're good at puzzles and problem solving.

I have a feeling you'll like roller coasters.

I have to admit, I was a complete mess over this.

Just Some Mom Stuff Just Some Mom Stuff I'm just a regular Mom, and that's the point.

This morning, we were snuggling in Mommy's and Daddy's bed after you woke up and you were telling me the animals you saw on the ceiling (T-rex, bunny rabbit, ant); the morning sun coming in between the window blinds created a shadow from the ceiling fan.

.it's a great place for you and I'm so happy to see you thriving there! I can't believe that tomorrow I will have a three-year-old boy.

What comes to mind first about this month is that we are communicating on a completely different level now.
