We desire be cheerful whether you move ahead backbone afresh.

And you did even better than I had hoped.

Currently, every car ride is exciting because you cheer me on when I drive through a green light.

Your fine motor skills are awesome! You seem to especially like to write with pens, and you often "help" me with my grocery lists by scribbling all over the paper.

You have a very logical mind.

Even the books you don't have memorized, you like to "read" to me by looking at the pictures and making up a story.

It's my hope as a parent that I can encourage that side of you while discouraging the hitting and kicking.

:) You are talking in three- and four-word sentences now.

Now I'm here on the eve of your third birthday and I'm in disbelief that I will have a three-year-old little boy when I wake up in the morning.

I can't wait to see what new adventures this next year will give us! Love

Even knowing you were in a great place, that first drop-off.
