week! I can hardly believe you're two.

It astounds me how much you have learned about dinosaurs - you can say even the most difficult dinosaur names, like Quetzalcoatlus (technically that is a pterosaur and not a dinosaur).

We saw a nutritionist who was only mildly helpful.

Somehow, you learned how to correctly hold and throw a football - even with a perfect spiral! You are so strong and you can throw the ball so hard that I don't even know how it's possible! This month, you started catching balls when we throw them to you.

You aren't big on snuggling unless you're sick.

You adjusted very quickly and made Daddy and I so proud! Mrs.

I'll tell it like it is.

It seems like your favorite thing in the world is to roughhouse with Daddy.

You're my everything.

You also say, "bless you" anytime someone sneezes.
