And yet, spending my days with you - seeing the world through your eyes - it keeps me young.
You throw your hands up in the air triumphantly when they score a touchdown and you clap when something exciting happens.

Big tears, ugly crying in the middle of a public place.

You hit, kicked, pushed, and threw things over and over.

If I say, "Up," you will say, "Down" and so on.

You know your ABCs, and the sound each letter makes.

Even when I'm pulling my hair out, I still feel that way every day.

You also say, "bless you" anytime someone sneezes.

Even when you're watching TV, you often bounce up and down in the living room like you have springs in your feet.

I'll tell it like it is.
