Food has continued to be enemy number one for you.

And you like putting things away, in their place.

I think what stands out about you most is your athletic ability.

How could I possibly abandon my baby and leave him with strangers? I wanted to start you in preschool much sooner but the thought of it made me crazy so I kept putting it off.

You are so ACTIVE.

I talk about all things related to motherhood, babies, families and frugal living.

I'm so blessed to have you in my life.
