You won't need Pediasure when you're in college, right? You will eat normal foods one day, right? Right?! One of the biggest milestones this year was that you started part-time preschool. I'm very proud at the progress you've made. You like sorting things, especially by color. This one is all about the month leading up to your birthday. "YAY! We made the green light!" You get gymnastics and outside playtime and so many different kinds of crafts.
