Despite that, there is a sweet and nurturing side of you - and I always see it, even when you're acting out.

You are becoming your own person; your personality is emerging more and more.

It astounds me how much you have learned about dinosaurs - you can say even the most difficult dinosaur names, like Quetzalcoatlus (technically that is a pterosaur and not a dinosaur).

It was so hard to leave you! But I knew it was best for you (and me, too).
