Big tears, ugly crying in the middle of a public place.

You know your ABCs, and the sound each letter makes.

And yet, spending my days with you - seeing the world through your eyes - it keeps me young.

You also say, "bless you" anytime someone sneezes.

You throw your hands up in the air triumphantly when they score a touchdown and you clap when something exciting happens.

I'll tell it like it is.

You hit, kicked, pushed, and threw things over and over.

You adjusted very quickly and made Daddy and I so proud! Mrs.

Somehow, you learned how to correctly hold and throw a football - even with a perfect spiral! You are so strong and you can throw the ball so hard that I don't even know how it's possible! This month, you started catching balls when we throw them to you.
