We desire be cheerful whether you move ahead backbone afresh.

You like sorting things, especially by color.

I'm very proud at the progress you've made.

"YAY! We made the green light!" Your imagination has been sparked over the past year.

Now you love it! You get gymnastics and outside playtime and so many different kinds of crafts.

you always, Mommy Posted by Rachel Marshall at 10:28 PM 0 comments Email ThisBlogThis!Share to

I think poor Daddy needs a break sometimes! Your interests shifted this year into very typical boy things.

You tell the best stories! Your facial expressions and hand gestures are fabulous.

You say things like, "I got it" and "I spy a bow.

You're a daredevil, always jumping off of things and giggling like mad.

You won't need Pediasure when you're in college, right? You will eat normal foods one day, right? Right?! One of the biggest milestones this year was that you started part-time preschool.
