We spend a lot more time drawing and writing these days.

Home Sunday, May 4, 2014 Dear 2-Year-Old Caleb Dear 2-year-old Caleb, Has it really been a YEAR since I've written you one of these letters? Time really has flown by this past year, even more so than for your first and second birthdays.

It was so hard to leave you! But I knew it was best for you (and me, too).

Laura is your teacher at A Kid's Gym in Oviedo, and she is wonderful.

Everything is exciting and new, even things I see every day but never gave much thought.

You often say, "Catch!" and ask to practice.

You are becoming your own person; your personality is emerging more and more.

As you can see, I have learned quite a bit about dinosaurs with you, too! You have also started to get into Daniel Tiger and you really like the movie Frozen (along with every other child in America, maybe the world).
