.it's a great place for you and I'm so happy to see you thriving there! I can't believe that tomorrow I will have a three-year-old boy.

You're good at puzzles and problem solving.

It's still a challenge for you sometimes, but many times you play nicely with other kids your age without hitting or kicking.

I hope you never lose that.

Your obsession with football and the Green Bay Packers continues to grow.

You phased out of the Dora the Explorer phase and got VERY interested in volcanoes and then dinosaurs.

You are rebellious even by toddler standards, always pushing the boundaries and fine-tuning your negotiation skills.

After Daddy and I dropped you off, we went out to breakfast.
