Almost all of the time, you can tell us what you are trying to say and we actually understand! You rarely sign anymore because you know how to say all of the words you used to sign.

I talk about all things related to motherhood, babies, families and frugal living.

You speak in complex sentences and sing songs.

How could I possibly abandon my baby and leave him with strangers? I wanted to start you in preschool much sooner but the thought of it made me crazy so I kept putting it off.

I think what stands out about you most is your athletic ability.

You have started to memorize parts of books, so you often help me read.

After Daddy and I dropped you off, we went out to breakfast.

If I had to pick a theme song to describe this past year, it would be the Dinosaur Train theme song.

You are rebellious even by toddler standards, always pushing the boundaries and fine-tuning your negotiation skills.
