You won't need Pediasure when you're in college, right? You will eat normal foods one day, right? Right?! One of the biggest milestones this year was that you started part-time preschool. I'm very proud at the progress you've made. You like sorting things, especially by color. This one is all about the month leading up to your birthday. It has been amazing to watch your language explode over the past year. "YAY! We made the green light!" Your imagination has been sparked over the past year. Now you love it! You get gymnastics and outside playtime and so many different kinds of crafts.
