This one is all about the month leading up to your birthday.

It has been amazing to watch your language explode over the past year.

You won't need Pediture when you're in college, right? You will eat normal foods one day, right? Right?! One of the biggest milestones this year was that you started part-time preschool.

You're a daredevil, always jumping off of things and giggling like mad.

We clap and cheer when you catch and when you miss, we say, "Almost!" Now you repeat us and say, "Almost" if you miss the ball.

Even knowing you were in a great place, that first drop-off.

Now I'm here on the eve of your third birthday and I'm in disbelief that I will have a three-year-old little boy when I wake up in the morning.

I think poor Daddy needs a break sometimes! Your interests shifted this year into very typical boy things.

you always, Mommy Posted by Rachel Marshall at 10:28 PM 0 comments Email ThisBlogThis!Share to

:) You are talking in three- and four-word sentences now.
