What comes to mind first about this month is that we are communicating on a completely different level now. You have an impressive vocabulary that is growing every day. Just Some Mom Stuff Just Some Mom Stuff I'm just a regular Mom, and that's the point. Playing ball makes you very happy and it's clear there will be a lot of sports in your future. I have to admit, I was a complete mess over this. I didn't know if I could do it. I have a feeling you'll like roller coasters. You turned two and it was like a switch was turned; you entered the terrible twos with full-force and never looked back. You phased out of the Dora the Explorer phase and got VERY interested in volcanoes and then dinosaurs. You say things like, "I got it" and "I spy a bow."
