you always, Mommy Posted by Rachel Marshall at 10:28 PM 0 comments Email ThisBlogThis!Share to I think poor Daddy needs a break sometimes! Your interests shifted this year into very typical boy things. You're a daredevil, always jumping off of things and giggling like mad. I'm very proud at the progress you've made. You won't need PediaSure when you're in college, right? You will eat normal foods one day, right? Right?! One of the biggest milestones this year was that you started part-time preschool. You like sorting things, especially by color. "YAY! We made the green light!" Your imagination has been sparked over the past year. This one is all about the month leading up to your birthday. Now you love it! You get gymnastics and outside playtime and so many different kinds of crafts. It has been amazing to watch your language explode over the past year.
