You're my everything.

It seems like your favorite thing in the world is to roughhouse with Daddy.

Despite that, there is a sweet and nurturing side of you - and I always see it, even when you're acting out.

You are becoming your own person; your personality is emerging more and more.

You aren't big on snuggling unless you're sick.

We saw a nutritionist who was only mildly helpful.

Everything is exciting and new, even things I see every day but never gave much thought.

It was so hard to leave you! But I knew it was best for you (and me, too).

We spend a lot more time drawing and writing these days.

week! I can hardly believe you're two.
