you always, Mommy Posted by Rachel Marshall at 10:28 PM 0 comments Email ThisBlogThis!Share to I think poor Daddy needs a break sometimes! Your interests shifted this year into very typical boy things. I'm very proud at the progress you've made. You like sorting things, especially by color. You're a daredevil, always jumping off of things and giggling like mad. You won't need Pediture when you're in college, right? You will eat normal foods one day, right? Right?! One of the biggest milestones this year was that you started part-time preschool. "YAY! We made the green light!" Your imagination has been sparked over the past year. Now you love it! You get gymnastics and outside playtime and so many different kinds of crafts. This one is all about the month leading up to your birthday. It has been amazing to watch your language explode over the past year.
