Now I'm here on the eve of your third birthday and I'm in disbelief that I will have a three-year-old little boy when I wake up in the morning.

It has been amazing to watch your language explode over the past year.

:) You are talking in three- and four-word sentences now.

This one is all about the month leading up to your birthday.

Even the books you don't have memorized, you like to "read" to me by looking at the pictures and making up a story.

Your fine motor skills are awesome! You seem to especially like to write with pens, and you often "help" me with my grocery lists by scribbling all over the paper.

You won't need PediaSure when you're in college, right? You will eat normal foods one day, right? Right?! One of the biggest milestones this year was that you started part-time preschool.

And you did even better than I had hoped.
