You carry on conversations with adults, including phone calls (usually with Grandma and Grandpa). One day, over ten new words popped out of your mouth! You are even good about saying, "please" and "thank you" or "thanks."

You know some parts of *The Poky Little Puppy*, like "I see something!" and the part in *That's Not My Mom!* where where Gerry says, "Aha!" There is also a *Thomas the Train Book of Opposites* that you know very well. And I broke down crying in the middle of *Townhouse Restaurant*.

You have more energy in an hour than I can muster up in a week, and I'm always dragging behind trying to keep up with you.

I love to review baby gear products.

But I knew you were ready, and I eventually bit the bullet.

It's odd saying that about a two-year old but it's true.

You sleep with footballs every night and usually ask to watch Packers highlights ("Pappoh?") as soon as you wake up.

You've gotten better about this lately, but this year we spent a lot - I mean A LOT - of time learning how to use nice hands and feet.
