We desire be cheerful whether you move ahead backbone afresh.

And I broke down crying in the middle of Townhouse Restaurant.

You have more energy in an hour than I can muster up in a week, and I'm always dragging behind trying to keep up with you.

You know some parts of The Poky Little Puppy, like "I see something!" and the part in That's Not My Mom! where where Gerry says, "Aha!" There is also a Thomas the Train Book of Opposites that you know very well. You sleep with footballs every night and usually ask to watch Packers highlights ("Pappoh?") as soon as you wake up.

You carry on conversations with adults, including phone calls (usually with Grandma and Grandpa).

You've gotten better about this lately, but this year we spent a lot - I mean A LOT - of time learning how to use nice hands and feet.

One day, over ten new words popped out of your mouth! You are even good about saying, "please" and "thank you" or "thanks."

I love to review baby gear products.

I'm so blessed to have you in my life.

But I knew you were ready, and I eventually bit the bullet.
