You have started to memorize parts of books, so you often help me read.

After Daddy and I dropped you off, we went out to breakfast.

You are rebellious even by toddler standards, always pushing the boundaries and fine-tuning your negotiation skills.

I talk about all things related to motherhood, babies, families and frugal living.

How could I possibly abandon my baby and leave him with strangers? I wanted to start you in preschool much sooner but the thought of it made me crazy so I kept putting it off.

I think what stands out about you most is your athletic ability.

Your obsession with football and the Green Bay Packers continues to grow.

I hope you never lose that.
