You have a very logical mind.

It's my hope as a parent that I can encourage that side of you while discouraging the hitting and kicking.

Currently, every car ride is exciting because you cheer me on when I drive through a green light.

And you did even better than I had hoped.

Your fine motor skills are awesome! You seem to especially like to write with pens, and you often "help" me with my grocery lists by scribbling all over the paper.

I can't wait to see what new adventures this next year will give us! Love

You jump on him, head-butt him, and tackle him every chance you get.

Even the books you don't have memorized, you like to "read" to me by looking at the pictures and making up a story.

:) You are talking in three- and four-word sentences now.

You don't like getting messy, but you love to color and do projects where you can use tools, like paintbrushes for example.
