You speak in complex sentences and sing songs.

Almost all of the time, you can tell us what you are trying to say and we actually understand! You rarely sign anymore because you know how to say all of the words you used to sign.

Your obsession with football and the Green Bay Packers continues to grow.

I hope you never lose that.

I talk about all things related to motherhood, babies, families and frugal living.

I think what stands out about you most is your athletic ability.
